HOME TALENT PLAY.

"The Benton Family Reunion"
To Be Given at The Tabernacle Next Monday Night, March 9.

The Tabernacle Association will present a home talent play at the Tabernacle next Monday night, entitled "The Benton Family Reunion," under the direction of Miss Elizabeth N. Martin, who staged the "Podunk Limited" last November. Rehearsals are being held every afternoon and evening and every effort is now being made to make it even a greater success than the "Podunk Limited."

The Benton Family Reunion proper is a 3 act comedy, the plot being centered in the musical numbers of the entertainment. Lucile Benton attempts a Benton Family History and as a last resort for the required data, she and Mrs. Benton consent to a family reunion planned by Fan and Mr. Benton to invite guests to the Benton home. Mrs. Benton and Lucile return to the sea shore during the preparation for the Reunion and Mr. Benton and Fan proceed to make the necessary arrangements for such an extensive event. Sam and Tilday, in black face, play very important parts during all the arrangements, as Mr. Benton and Fan offer them many inducements if they will only stand by the Reunion. In the meantime Jean returns from College and he and Fan proceed to arrange the musical numbers and form a plot to invite many friends as cousins.

One of the richest features of the Reunion will be the arrival of 20 or 25 country relatives dressed in the old style costumes.

The musical numbers are being rehearsed every afternoon with the most zealous effects and each and every chorus promises to be of musical interest for an amateur performance. The musical numbers are following: "A Moon Man," chorus by fifty or more little girls. "A Tale of Woe," chorus by the same number of little boys.

"Cook Song" by 25 little girls in cook costumes.

Tamborine chorus.
"Hay Maker and Dairy Maid,"—Chorus.

"Gibson Man,"—Chorus.
"Silvery Moon,"—Chorus.

Dutch chorus by six High School girls in appropriate costumes, which promises to be the big hit of the evening.

As a closing number all the choruses bank the stage and in a very graceful swing motion sing the "Swing Song" in harmony with an electric swing display.

SLIGHT SHOCK

Distinct Tremor, Slight But Unmistakable, Felt at Chattanooga.

Atlanta, Ga., March 6.—Seismic shocks, light but distinct, were felt today in many cities and towns of Tennessee, Georgia, Alabama and the Carolinas. At numerous points business buildings and residences trembled, windows rattled and mild excitement prevailed. In the rural districts negroes were badly frightened. As recorded by the seismograph at Mobile, the tremors were light but rapid indicating that the disturbance was not far distant. Reports from many sections tonight where the shocks did no damage and that no one was injured.

Robbers are Known.

While the two men who robbed the Brandenburg jewelry store in Louisville have escaped, their identity is known to the police. They went to Shelbyville in an automobile and there took a train.

Bond Issue Killed.

Frankfort, Ky., March 6.—The Appellate Court affirmed the judgment of the Crittenden Circuit Court in the case of the city of Marion against Robert F. Haynes. An injunction had been granted against the city to restrain it from issuing \$25,000 waterworks bonds and \$20,000 sewer bonds.

The injunction was sustained on the ground that it would raise the tax levy greater than 75 cents on the \$100 value in property.
